

New version of website of LLC “Multipurpose Reloading Complex”

24 June 2015

Official site of LLC “Multipurpose Reloading Complex” in port of Ust-Luga (Leningrad region) started to work in its renewed version. Site is adapted for cellphones, tablet computers and wide screen monitors.

The renewed version has new formats for provision of information, optimized content and new design. The site presents corporate booklet which specifies main characteristics and production results of the company for 2014.

Visitors of the site have access to archive materials starting from the moment when the complex was established. Now users have an opportunity to subscribe to news releases of the company. Site is in Russian and English languages.

Internet site is located at <http://temp.upk-terminal.ru>.

Reference:

LLC “Multipurpose Reloading Complex” is a cargo terminal in the port of Ust-Luga in the Leningrad region, specializing in reception, storage and shipment of export and import general and bulk cargoes. Main cargo reloaded by the company is export power generating coal. In 2014 the turnover of LLC “MRC” amounted to 4 mln. tons of cargo.
