

# The results of the implementation of social programme of “Multipurpose Reloading Complex”

10 November 2015

Within 9 months of 2015 LLC “Multipurpose Reloading Complex” (MRC) in the port of Ust-Luga transferred 860 thousand Rubles for the implementation of social programme.

Main part of the funds was transferred into Target fund of the company which was established for provision of targeted support to the employees of the company. The company reimbursed expenses for medical services and recreation and treatment of port workers and their families and rendered financial assistance to those employees who turned to be in hard life situations.

MRC traditionally paid bonuses to employees celebrating a jubilee and paid additional bonuses on the eve of public holidays. In the beginning of new school year the company provided financial assistance to the employees whose children entered the first grade.

Traditionally monetary funds were transferred for training of the personnel.

On the eve of 70<sup>th</sup> anniversary of Great Patriotic War MRC supported financially arrangement of festive events held in Kingisepp district (Leningrad region).
