

Multipurpose Reloading Complex increased financing of the social programme

18 April 2016

In January-March of 2016 LLC "Multipurpose Reloading Complex" (MRC) in port of Ust-Luga (Leningrad region) transferred 348 thousand Rubles for the implementation of the social programme which exceeds by 66.5% the figure of the same period of 2015.

Part of the funds – 244 thousand Rubles – was transferred to the Target fund of the company established to support the employees of the company. From this fund the company reimbursed expenses for medical services and recreation of the employees, excursions and arrange sport activities.

Besides the company provided financial assistance to employees in need and to those who had significant events i.e. wedding or delivery of a child.

Traditionally MRC paid bonuses to its employees celebrating a jubilee and made payments to women on the eve of 8th of March.

104 thousand Rubles were transferred by the company for programmes of advanced training for its employees. In the 1st quarter of this year 23 employees completed such programmes.
