

Multipurpose Reloading Complex increased financing of the social programme

15 August 2017

From the beginning of 2017 the Multipurpose Reloading Complex (MRC) in the port of Ust-Luga (Leningrad region) invested 916 thousand RUR in realization of its social programme, which is 2.6 times more than previous year.

The main part of the funds was remitted as charity financing for construction of the new family library in the town of Kingisepp on the premises of the former shop.

By tradition, the company's employees received their anniversary bonuses and women got their bonuses on the occasion of the Women's Day on the 8th of March. Also, MRC made certain investments into the improvement of the personnel qualifications.

Reference:

"Multipurpose Reloading Complex", LLC (MRC) – cargo terminal in the port of Ust-Luga, Leningrad region, specializing in unloading, storage and loading of exported and imported general and bulk cargoes. The main cargo is export power coal. In 2016 cargo turnover of MRC amounted to 4.5 mln tonnes.
