

Congratulations on Marine and River Fleet Workers' Day

5 July 2019

Dear colleagues!

Accept our sincere congratulation on the Marine and River Fleet Workers' day. It is the main professional holiday for all companies of water transport industry.

Multipurpose Reloading Complex LLC is a significant part of the first largest infrastructure project in modern Russia – the port of Ust-Luga, has frequently confirmed its ability to perform the most ambitious and challenging tasks. The terminal has repeatedly held leadership among stevedoring companies of our country. Undoubtedly, multiple achievements and victories are to come in the future.

Our common task is to further strengthen transport independency of Russia trying to be at the top of our game. I wish all of us success on this challenging but interesting way. Congratulations, dear friends!

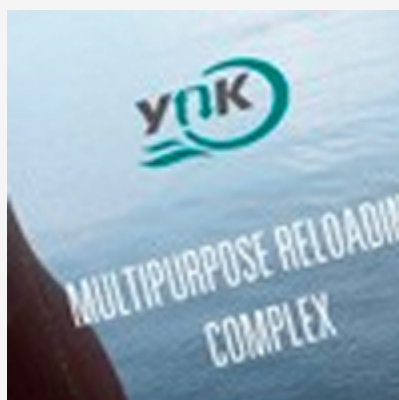

S. Chelyadin, Managing Director, Multipurpose Reloading Complex LLC
