

# Throughput of Multipurpose Reloading Complex LLC in 2019

4 March 2020

In 2019, Multipurpose Reloading Complex LLC (MRC) handled 5.17 million tonnes of cargo (-4%, year-on-year). The decrease should be attributed to reduced supplies of export coal bound for Europe in the last quarter of 2019. Throughout the year, MRC handled over 5 million tonnes of coal, 4% less than in 2018. Meanwhile, transshipment of petcoke surged by 45% to 166,000 tonnes. In the reporting period, MRC handled 163 cargo vessels and 71,785 railcars. Average daily handling (loading/unloading) of railcars totaled 197 units with maximum result as high as 313 units per day.
