

Free meals for MRC employees

25 May 2021

Multipurpose Reloading Complex LLC (MRC) operating in the port of Ust-Luga organized providing free meals to its employees.

The company arranges free meals for day shift and night shift employees as well as for the administrative personnel. Set-meals are delivered to the terminal twice a day from Kingisepp.

Taking care about its employees, Multipurpose Reloading Complex permanently expands its social programme and the list of social benefits. The company has recently introduced voluntary medical insurance as an extra healthcare instrument. Every year, MRC covers the costs of health resort treatment and sport activities, organizes reimbursed tours and makes additional payments to the employees on the occasion of public holidays and significant family events.
