

“Universal Loading Complex” directed 935 thousand rbls to implementation of social programmes

1 August 2014

In January-June 2014 “ULC, Ltd.” based in the port of Ust-Luga (Leningrad region) appropriated 935 thousand rbls to financing of social programmes.

The company compensated its employees for their medical expenses and health recreation, paid premiums coinciding with jubilee dates and holidays.

The funds were also spent for training of personnel - only in the 1st half of the year 54 employees of the company completed training courses.

Besides, the company rendered financial assistance to organization of holiday events in Kingisepp (Leningrad region) devoted to the Day of Russia, 630th anniversary of the town foundation and Russian Hanseatic days.

Reference: “Universal Loading Complex, Ltd.” - cargo terminal in the port of Ust-Luga, Leningrad region, specializing in acceptance, storage, export and import shipment of general and bulk cargoes. In 2013 cargo turnover of “ULC” amounted to 3.5 mln tons.
